Located in the sought-after residential community of Scandia in Ciudad Quesada, this well-presented townhouse offers a fantastic combination of comfort, flexibility, and outdoor living — ideal as a holiday home, rental investment, or permanent residence in the sun.

The ground floor welcomes you with a bright and open-plan layout, featuring a cozy living room seamlessly connected to a well-equipped modern kitchen. This level also includes one bedroom and one bathroom, making it practical for everyday living or hosting guests.

Downstairs, the underbuild adds valuable extra space and versatility. Here you'll find a second bedroom and bathroom, along with an additional living area and a separate kitchen with dining space — perfect for extended family stays, guest accommodation, or even independent living.

Step outside and enjoy the south-facing terrace, ideal for soaking up the sun all year round, whether you're relaxing with a coffee in the morning or entertaining in the evening.

The property is situated within a secure gated community, offering peace of mind and access to a beautiful communal pool area, perfect for cooling off during the warm Costa Blanca summers.
