Furthermore it consists of a large open plan kitchen and living area of approximately 60 m2. From the living room you have direct access to a covered terrace. You also have access to an interior patio where there is a utility space. 

The terrace has space for an outdoor seating area and it faces a pedestrian street. 

The apartment has been completely renovated in 2025. It has pre installation of air condition. It has two entrances to access the property: one directly from the pedestrian street, ideal for independence, and another through the community area, with certified wheelchair-accessible ramps if needed. The property itself is also adapted for any type of mobility disability.

Area

The apartment is excellently connected to the center of Torrevieja, just a 7-minute walk away, and forms part of the redevelopment project of the Acequión promenade. This area has been classified as one of the most desirable in the city, leading to a remarkable increase in the value of nearby properties.

The location offers close proximity to schools, a health center, beaches, parks, supermarkets, and a pharmacy, as well as convenient public transport links to other parts of the city.
