This charming bungalow is located in the popular area of Ciudad Quesada, close to all amenities and with a practical single-level layout that makes it ideal both as a holiday home and for permanent living. The property offers a bright and comfortable living area with an open-plan American-style kitchen, as well as a spacious additional kitchen/laundry room with direct access from the main kitchen. This creates a practical and social living space, perfectly suited for everyday comfort. The home is in good condition and is sold partly furnished, including home appliances, making it easy for the new owners to move in and start enjoying the Costa Blanca lifestyle straight away.

One of the main highlights is the generous outdoor space, which has recently been renovated with new tiling throughout, as well as new boundary walls facing the street and neighbouring properties. The property benefits from a private garden area and a lovely covered terrace with awning - perfect for relaxing, dining outside, entertaining guests, or simply enjoying the Spanish climate throughout the year. There is also a small sunny solarium, ideal for enjoying the sun throughout the day.

Additional features include air conditioning, heating, shutters, indoor and outdoor lighting, a storage room, laundry area and optional parking right in front of the house - in the quite "private road". With its west-facing orientation, practical layout and excellent outdoor areas, this is a very appealing bungalow in a well-established and sought-after location.

There are two large communal swimming pools nearby: one located at the top of Ciudad Quesada, approximately 650 metres away, and another just 450 metres from the property, at the Soluna Vista Lounge bar and restaurant. The well-known Quesada Aqua Park is also only around 200 metres from the home. Ciudad Quesada town centre is approximately 1.2 km away, while the Norwegian School is just around 1 km from the property.

A great opportunity for those looking for a low-maintenance home in Ciudad Quesada, close to shops, restaurants, services and everything this popular area has to offer.
