The property also features a covered barbecue area, elegant chill-out spaces and numerous outdoor corners that create a truly exclusive atmosphere.

An additional detached building provides excellent flexibility and could be used as guest accommodation, staff quarters, a home office, studio or leisure space.

The lower level of the property offers a vast open-plan area with independent access, making it ideal for a private gym, wellness and spa area, home cinema, additional accommodation or even a professional or commercial project.

The grounds combine mature landscaping, palm trees and low-maintenance gardens with extensive parking areas for several vehicles and plenty of space for future enhancements if desired.
