We are thrilled to offer this gorgeous south facing one bedroom one bathroom apartment for sale on the Mar Menor Golf Resort. The property has been completely refurbished with new kitchen, bathroom, floors and doors, glass curtains and furniture. It is immaculate. It is located in a prime position opposite one of the communal swimming pools and a short stroll from the supermarket and MMGR club. It is being sold furnished with full hot and cold aircon and allocated underground parking with walk in storage. The resort itself is a short drive from the Mar Menor beach town of Los Alcazares and about 20 minutes from Murcia airport. On site there is the Ona Hotel and clubhouse and you have a variety of restaurants on the Boulevard just outside the resort.

You enter the property into the bright and sunny kitchen lounge and diner. The owners have completely modernised the property with new floor, new internal doors and front door. The brand new kitchen with white gloss units and new white goods is to your right with breakfast bar. The lounge leads to the large tiled terrace. Glass curtains have been added and full wall storage cupboards. The garden has plenty of space for sunbathing and eating and is enclosed with pretty white fencing. From here you can stroll across the communal gardens to the swimming pool. There is one double bedroom with fitted wardrobes and a spacious new bathroom with walk in shower and added extractor fan. The furniture is brand new and included in the sale except for the bar stool and outside table and two chairs. Allocated underground parking can be accessed by lift and has a spacious walk in store room perfect for bikes and golf clubs. The property has fly screens on all doors and an outside retractable awning for comfort. This is a fantastic property. Contact us now to book a viewing appointment.
