This stunning modern apartment is situated only 8 minutes walk from the busy high street with an array of amenities including boutique shops, cafes, restaurants and many large supermarkets, the beautiful beaches of Torre de la Horadada are only 3km and can be easily reached on foot via the "Rambla" which was originally built to carry excess flood water away to the sea during rare h...(Ask for More Details!)

Fantastic opportunity to purchase a resale new build 3 bedroom, 2 bathroom top floor apartment in the beautiful gated community Rambla Beach II with communal pool in the popular Spanish town of Pilar de la Horadada. This stunning modern apartment is situated only 8 minutes walk from the busy high street with an array of amenities including boutique shops, cafes, restaurants and many large supermarkets, the beautiful beaches of Torre de la Horadada are only 3km and can be easily reached on foot via the "Rambla" which was originally built to carry excess flood water away to the sea during rare heavy downpours, it has been designed as a beautiful 3km walk/cycling route with local art installations along the way.

To access the apartment a set of stairs lead up to a private terrace where the front door is located, the front door is a patio door and opens into a light and bright open plan living/dining room with the fully fitted kitchen with breakfast bar located at the rear. A door from the side of the living area leads into the master bedroom with en suite bathroom, built in wardrobes and patio doors which also lead onto the front terrace. The second and third bedrooms are located at the rear of the apartment they are both good sized doubles with built in wardrobes, also located off the living room is the second family bathroom with walk in shower.

This apartment also benefits from a large private solarium which is accessed via a door from the kitchen opening to a utility area and external stairs leading up to the solarium. The spacious private solarium is equipped with shower, outside kitchen with BBQ and plenty of space for sun loungers and a dining area, it also enjoys countryside views to the front and sea views to the rear.

This apartment was constructed in 2022 and has lots of added extras including ducted hot/cold air conditioning, underfloor heating in the bathrooms and living room, allocated parking space, storage room and also has access to a beautiful communal swimming pool with jacuzzi and a gym.
