Imagine starting your morning with a coffee in the sunshine, stepping out into your own generous front garden and enjoying views across the pink salt lake. There is space here to slow down, enjoy outdoor living and make the most of the Costa Blanca lifestyle.

Set in the established area of La Siesta, Torrevieja, this recently reformed two-bedroom ground floor bungalow offers an excellent combination of modern living, outdoor space and a convenient location.

The property provides approximately 70m² of accommodation, with two bedrooms, one bathroom and a comfortable layout that makes it equally suitable as a permanent home, Spanish holiday home or investment property.

One of the standout features is the 55m² front garden. This is much more than just an entrance to the property. There is plenty of room for outdoor seating, a dining table and barbecue, making it the perfect setting for long lunches, evening drinks and relaxed al fresco dining in the Spanish sunshine.

From the garden, you can also enjoy lake views, adding an attractive sense of space and tranquillity to the property.

Inside, the bungalow has been recently reformed, creating a move-in-ready home without the need for major renovation work. Air conditioning provides additional comfort throughout the warmer summer months.

Location is another major advantage. The property is within walking distance of local amenities, making everyday life convenient without always needing to rely on a car. A municipal swimming pool is also approximately a 10-minute walk away, providing an easy option for cooling off and enjoying the Mediterranean lifestyle during the summer.

Perhaps one of the biggest financial advantages is that the property comes with no community fees, helping to keep the ongoing cost of ownership lower than many properties within communal developments.

For buyers looking for an affordable 2-bedroom property for sale in Torrevieja, this bungalow offers a particularly attractive combination of space, outdoor living, lake views and location.

Whether you are searching for a holiday home in Spain, a permanent base on the Costa Blanca or an investment property with strong lifestyle appeal, this recently reformed bungalow in La Siesta is well worth viewing.

A spacious garden, lake views, a recently reformed interior and no community fees make this a property that deserves to be seen in person.
