A Beautiful Top-Floor Retreat in the Heart of Ciudad Quesada

Imagine waking up in the sunshine, opening the doors to your terrace and starting the day with a coffee in the warm Costa Blanca air. This lovely top-floor apartment in Ciudad Quesada offers exactly the kind of relaxed Spanish lifestyle that so many buyers dream about.

Set within a popular residential community, the property is an inviting home that combines comfortable living with the benefits of having everything you need close by. Whether you are looking for a permanent home in Spain, a lock-up-and-leave holiday property or a smart investment on the Costa Blanca, this apartment offers plenty of potential.

Being a top-floor property gives the home a wonderful sense of privacy, while the outdoor spaces provide the perfect place to make the most of the Spanish climate. Picture long lunches outside, an evening drink as the sun begins to cool the day, or simply relaxing with a good book while enjoying the laid-back atmosphere of Ciudad Quesada.

Inside, the apartment provides a comfortable and practical layout, creating an easy-to-maintain home that is ready to enjoy. The property has the feel of somewhere you can arrive, unpack your suitcase and immediately start enjoying life in Spain.

The current owners have also converted the turret room on the solarium into a mini bedroom able to sleep 2 further people upstairs.

The communal swimming pool adds another layer to the lifestyle. During the warmer months, it is the perfect place to cool off, spend time with family or simply relax in the sunshine without the maintenance that comes with having your own private pool.

Location is another major attraction. Ciudad Quesada is one of the Costa Blanca's most established residential areas, offering a great selection of restaurants, bars, shops and everyday amenities. The surrounding area also provides easy access to golf courses, beaches and the wider Costa Blanca, making it an excellent base for enjoying everything this part of Spain has to offer.

And perhaps that is what makes this property so appealing. It is not simply about buying an apartment. It is about having a place where mornings can be slow, lunches can last a little longer and evenings can be spent outside enjoying the sunshine.

For anyone searching for atop-floor apartment for sale in Ciudad Quesada, this property is well worth a closer look.

Come and see what life in Ciudad Quesada could look like.
